

Puppy Socialization

..... FALL CLASSES

Socialization is the process of introducing puppies to Places, People, Dogs, Obstacles and Sounds in a positive, safe and responsible manner so they can grow into an adult with the ability to adapt to new experiences.

**For puppies 5 months and under.*

AKC Star Puppy

Puppy classes teach you how to best communicate with your puppy. Our training classes also provide an opportunity for your dog to socialize with other dogs. In classes aimed at earning the AKC S.T.A.R. Puppy distinction, you'll be able to get information on all of your puppy-raising questions including housetraining, chewing, and the most effective way to teach practical skills such as coming when called. AKC S.T.A.R. Puppy training is a natural lead in to the AKC Canine Good Citizen Program.
